Mark – Per my voice mail earlier today, Atlantic Richfield hand delivered the attached 104(e) response, including a DVD containing pdf images of responsive documents, to Scott Wilder at EPA Region 8 today. As stated in the attached cover letter, Atlantic Richfield is continuing to review documents. We expect to complete that review shortly, at which time we will supplement this response with additional responsive documents and other information – likely in the next one-to-two weeks.

Please contact me with any related questions.
